May I write to [illegible] stating that I do not

if the Lewis given a Conveyance allowance of

but on transfer to the Hussain

Tumulty, he was given the same Conveyance

allowance as Rs 25/- p.m. which his predecessor was

getting on the latter being

5 the Hussain Durbar should have now resolved

to give him a Conveyance allowance of Rs 50/p.m.

on the ground that he has to maintain a car

for his work in the other Mahals in the State

where there is a chief officer, such a

high rate of Conveyance allowance as granted

the maximum limit

to the Tumulty could be granted would be

Rs 35/- p.m. - the same that was given to him

at Dawsonpore after all, the jurisdiction of

Hussain Tumulty is not to be greater as that

of Dawsonpore, which is the biggest Tumulty

Mahal in the State It would also

create an inconvenient precedent to

sanction a car allowance of Rs 50/p.m. to a

Chief officer during a pay of Rs 100 p.m.

in the grade of Rs 100 - 5 - 125.

The proposal may therefore be vetoed, the

Conveyance allowance of Rs 35/- which Lewis getting

at Dawsonpore being continued to him at

Hussain also so long as he maintains a car

Conveyance allce to the Chief Offr Nassau Town Municipality

7) There seems to be no need for a Chief officer of Nassau Town Municipality to maintain a car. He is an officer in grade Rs 100 - 5 - 125 - and ordinarily he is not expected to use a car for his legitimate official duties. In this view, the grant of a Conveyance allce of Rs 35/- would be sufficient. His predecessor was getting only Rs 25/- & I personally feel that giving him Rs 35/- is a favour. Minister for agr) DSW 26/9

The Presdt of the Municipality has pointed out that the toll gates are managed departmentally & require close supervision to prevent leakages. An allowance of Rs 50/- is not too much if a car is to be maintained, as the Municipal considers it is necessary to do.

OFFICE OF THE DEPUTY COMMISSIONER,
Dated, HASSAN. the 11th Aug. '45.

The Additional Secretary to
Government of Mysore,
BANGALORE.

Sir,

Re: Payment of conveyance allowance of Rs.50/- to Mr.C.Krishnamurthy Rao, Chief Officer, H a s s a n.

I have the honour to state that Mr C.Krishnamurthy Rao, Chief Officer of Davanagere Municipality was transferred to Hassan Town Municipality in G O.No.L 5590-4 ml 83-44-25, dated 7-12-1944 on his own grade pay plus C A of Rs.25/- p m. and he is working in Hassan Town Municipality since 10-4-45. It is stated that he was drawing a car allowance of Rs.35/- p m. at Davanagere as per G.DeNo.L.9357-8 ml.83-43-46, dated 8-3-1944. The Municipal Council have resolved at their meeting held on 25-4-1945 that it is necessary for the Chief Officer to maintain a car for visiting the Toll gates and Octroi Kattes to watch against smuggling and that his conveyance allowance may be raised from Rs.25/- to Rs.50/- p m. Hassan is a growing town and extensive in area The Chief Officer has to go round the town every often for supervising sanitation work, to check the several Municipal grain depots located in the extensions and to pay surprise visits to toll gates, octroi kattes etc, to check the octroiable goods and prevent smuggling.

In view of the heavy work devolved on him, I request that sanction of government may kindly be obtained to the payment of a car allowance of Rs.50/- p m from the current year as resolved by the Municipal Council. The extra cost on this account is proposed to be met out of the provision made in the current year's Budget The Budget has been submitted for sanction in this office No ML.C 562/44, dated 21-6-45 deleting this provision In the circumstances explained by the Municipal President the provision made in the budget may be allowed If the budget has already been sanctioned the expenditure will have to be met out of the closing balance.

A copy of the resolution of the Municipal Council dated 25-4-45 is enclosed, as also the President's report in original

Sir,

Adverting to G O No L 5590-4/ M1 83-44-25 dated 7-12-1945 transferring Mr C Krishnamurthy Rao, as Chief Officer of this Municipality, I have the honour to state that this officer joined his office on 10-4-1945 From his last pay certificate received in this office from Davangere Municipality it is seen that he was drawing a car allowance of Rs 35/- in that Municipality as per G O No L 9307-8 M1 83-43-46 dated 8th March 1944 It is also seen therefrom that prior to his coming to this place he was given a car allowance of Rs 75/- as incharge Engineer (Copy of G O sanctioning Rs 75/- enclosed for kind reference) The subject was placed -- before the Municipal Council at their special general meetir held on 24-4-1945 and after due deliberation the Municipal Council unanimously passed the following resolution ---- 'The town is extensive The distance between one toll gate and octroi cockad and another is two miles The total -- distance of all cockads comes to ten miles The Chief Officer is required to inspect all the cockads daily and pay surprise visits at odd hours to these to prevent the heavy leakages With a view to enable the Chief Officer to pay visits to these cockads and increase the revenue under toll and octroi by preventing the possible and probable leakages, Hence the Municipal Council considers necessary that he should maintain a car and has resolved to raise his conveyance allowance from Rs 25/- to Rs 50/- per mensem The Municipal Council anticipates that the additional expenditure involved will be compensated by the increased income that may be derived under these heads by close supervision

and sufficient check "

Toll is being collected "Amani" while ~~while~~ the right of collecting the same at Davangere is being farmed out at Davangere This is an additional work devolved on the Chief Officer in this town Besides the area of this town is 5 sq miles which is ascertained to be equal of not larger than Davangere town The sanitation work in the town is very important and needs close supervision by the Chief Officer and in consideration of the extensive area of the town it is highly desirable that the Chief Officer should be required to continue to maintain his car to enable him to do efficient work in the interest of the Municipality The car is a protection against Sun and rain and will be facilitating the Chief Officer to go round the town and four gates for inspections during the monsoon season

The sum of Rs 35/- sanctioned to him by Government for maintaining the car is insufficient and hence an allowance of Rs 50/- ie Rs 15/- more than what he was paid at Davangere as Chief Officer under Government order quoted above has been resolved to be paid to him by the Municipal Council The increase per day is only a few annas which can be compensated by 20 times that amount by increase in collections under octroi and toll by his close supervision over these departments

At present, leakages under octroi and toll are being detected daily and by close supervision over these may be prevented to the maximum extent

Under these circumstances, I fully concur with the resolution of the Municipal Council and request you kindly to obtain sanction of Government to the resolution of the Municipal Council to pay Mr C Krishnamurthy Rao, Chief Officer, a conveyance allowance of Rs 50/- P M from the date of his taking charge in this Municipality

Necessary provision in this behalf has been made in the Budget estimate for 1945-46 and the extra expenditure for th

year will be met out of the savings under the head 1 2 salary of establishment

A copy of the resolution of the unicipal Council is herein enclosed for ready refere ce
